The screenshot shows the user dashboard for the American Airlines Business Extra program. At the top, there are logos for American Airlines, BRITISH AIRWAYS, and IBERIA. A blue button labeled "Book award travel" is positioned to the right of the logos. In the top right corner, there are links for "Logout »" and "English ▾". Below the logos, the "Business Extra" logo is prominently displayed, followed by navigation links for "Program", "Earn", and "Redeem". A personalized greeting "Welcome, JOHN ▾" is shown in a box on the right. On the left side, the user's account number "123456" and company name "ACME CORP" are listed, along with a "Points balance: 37,100". The main content area is divided into three columns of menu items: "Account summary", "Company profile", "Travel manager profile", "Travel agent profile", and "Promotions" in the first column; "Returns", "Redemptions", "Flight credit request", and "Generate award certificate" in the second column; and "Education center", "Welcome center", "Contact us", "News and information", and "FAQs" in the third column. A blue bar is visible at the bottom of the dashboard area.
